

Our Vision

To nurture excellence in various fields of engineering by imparting timeless core values to the learners and to mould the institution into a center of academic excellence and advanced research.

Our Mission

To impart high Quality technical education in order to mould the learners into globally competitive technocrats who are professionally deft, intellectually adept and socially responsible. The Institution strives to make the learners inculcate and imbibe pragmatic perception and pro-active nature so as to enable them to acquire a vision for exploration and an insight for advanced enquiry.

Quality Policy

Velagapudi Ramakrishna Siddhartha Engineering College strives to impart Knowledge, Skills and Attitude through continuous improvement to meet the ever changing needs of Industry and for the sustainable development of Society.
